

Pizza Scramble

– A FREE Activity of
Auditory Processing
and Memory!

Directions

Students choose a role: Customer, Server, Cook, Supervisor

- 2 players: Customer and Cook
- 3 players: add Server
- 4 players: add Supervisor

Server gives menu to customer

Customer places order with server

Server remembers the order and verbalizes it to the cook

Cook creates the pizza and gives it to the server

Server delivers the pizza to the customer

Customer tells the server if the order is correct

Supervisor oversees the restaurant by cueing the server and cook as needed and checking in with the customer.

- For added fun, get into your character by using creative voices and personalities (i.e. the hard-to-please customer).
