Important Health Reminders for Parents

The health and safety of students and staff is a priority; parents are asked to screen their child daily for any potential COVID-19 symptoms; if your child complains of feeling sick, *please keep them home*. We must work together to keep everyone safe and to keep our school open. Please follow the following health guidelines.

School Arrival

- Any student with a fever and/or symptoms below will not be allowed in the building or will be placed into an isolation room until picked up.
- Parent will have to take the student home.

During the School Day

- Any students with 2 or more symptoms for Column A or and 1 symptom from Column B will be sent home immediately
- Student must be picked up quickly, please always have the ability to pick up your child.

Column A (2)	Column B (1)
Congested or Runny Nose	Fever
Chills	Shortness of breath
Rigors (shivers)	Difficulty breathing
Myalgia (muscle aches)	Loss of smell
Headache	Loss of Taste
Sore Throat	Cough
Nausea or vomiting	
Diarrhea	
Fatigue

Any Student who is sent home

- Students who are sent home by the school nurse for CoVid related symptoms will not be able to return without a 10 day quarantine OR have a negative PCR CoVid test and a doctor's note. We are no longer accepting doctor's notes with alternate diagnoses.

How your child can return to school after being sent home

- Student receives a CoVid-19 test. ****Rapid test is not accepted, it must be a PCR test****. Student will need to submit the test results AND a doctor's note to return.
- If a parent decides not to test, the student **must stay home for 10 days**.
- Student can return after the 10th day if he/she is fever free for a minimum of 24 hours without fever-reducing medicine and is asymptomatic.

When to Quarantine

- If your child has had a close contact with a person with CoVid-19.
- Someone in your household is showing CoVid-19 symptoms, has been diagnosed with CoVid-19, or is being tested for CoVid-19
- Your child has traveled outside the country or to a restricted state.
- If any of the above apply, please do not send your child to school. Keep the student home and contact the school immediately.
